About Us

“

THE FEROCIOUS TEAM FROM THE SEA

Letshark Entertainment is Indonesia Startup since March 2019 with staff who has creative ideas in technology and multimedia. We have a fighting spirit to overcome various challenges and learned how to survive with our creativity in technology and multimedia. We are prepared to face even greater challenges. Because we are the sharks, the ferocious team from the sea.

Technology

We can make website, games, and apps to help your business.

Multimedia

Best illustration/art, animation, graphic design and other assets just for you.

Our Mascot

Shakky is the main mascot of Letshark Entertainment. He belongs to a species of tiger shark and wears royal attire because he is the leader of all Letshark's mascots. His slow movement can make you fooled because this species can dash to lead us to glory.

Our Mascot

Codee is our technology mascot which belongs to the species of blue shark. He loves all things codes and numbers.

Our Mascot

Arthy is our art mascot which is a species of bull shark. He loves to draw anything. Meanwhile, *Hummy* is our animation mascot which is a species of hammerhead shark. She is interested in compiling several images into an animation.

Technology

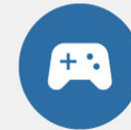

The best technology solutions for those who want to realize your business or business and make your dreams come true with us.

Letshark Entertainment

“

Dive to infinity and beyond

No matter how deep we dive,
there is must be someone
that dives deeper than us

”

Thank you!!
